

ST PATRICK SCHOOL

“LENT A HAND”

FUNDRAISER

St. Patrick School is looking to “Lent a Hand” this Lenten season by raising money for **VALEDA HOUSE**. Valeda House is a ministry of Catholic Social Services, serving as a home to up to six young women, who either have young children or are expecting. In addition to being a home for these women for up to six months, Valeda House offers programs and support to allow these Mothers to find long term housing and to address the underlying issues that may be associated with homelessness.

Our Elk Island Catholic School family has answered the challenge of supporting and engaging in this ministry, which has served women from all of our communities, and which runs entirely on donated support.

Our goal is to raise \$1000.00
