

NEW Attendance Reporting Procedures - SchoolMessenger

Effective Date: May 22, 2018

Elk Island Catholic Schools in Camrose will be piloting a new version of the application which allows parents to report absences online or through an interactive callout. **Your child's safety is of paramount importance to us** - this new version of Safe Arrival is more streamlined than ever, using a streamlined process to connect directly to our SchoolMessenger communication service.

With SafeArrival, Excusing An Absence Is As Easy As 1-2-3

Thanks to SafeArrival's easy-to-use tools, every parent has the ability to excuse an absence quickly and with minimal effort. To excuse an absence in advance, parents simply need to:

1. Identify which child or children will be absent,
2. Select the date(s) and time(s) of the absence, and
3. Provide a reason from a pre-determined list of choices.

To excuse an absence after the fact, parents just need to provide a reason for their child's absence.

All of these steps can be taken care of with just a few taps inside the SchoolMessenger app (shown at right), by calling a toll-free phone line, or by using the web-based interface.

Sign up

Use the same email address your school has on record. If you wish to use a different one, please contact your school and ask them to update your email address.

Sign up

How to Set Up Your New Account: Go to <https://go.schoolmessenger.com/#/account/signup> or download the SchoolMessenger App using Google Play or the App Store. **(Select Canada as Location)**

Note: Use the email address on file at the school (the one you received this message on) to automatically be attached to your students in the division.

How to REPORT AN ABSENCE:

- Call 1-844-478-2613
- Use the SchoolMessenger App
- Use the "SchoolMessenger" link in the EICS App - this requires the SchoolMessenger App to be installed on a phone.
- Go to this link <https://go.schoolmessenger.com>

There are some important features to note:

- When creating an account for the App/Website, you will receive an authentication email to verify your login. Click on the link, and update user settings by entering the information requested. Once complete you will have access to all students at our school with that email address associated with a parent/guardian contact.
- A SchoolMessenger button is also added to the EICS App (available on both Android and IOS) , so you can access everything in one place, but it will still require that you have the School Messenger App installed on the phone to function.
- In the morning, an automated phone call would be sent out to students marked absent who have not had an absence reported through the system - please make sure you are reporting your child's absence, either proactively through the website/app, or when receiving the phone call.
- This system will automatically update attendance at the school. On days where our office staff may be away, the system automatically overrides those students marked unverified, which will prevent attendance calls from going home at the end of the day.
- We experience a high volume of late students every morning. If your child is going to arrive after attendance is taken at 8:30, please make sure you are reporting it as a late/absence using the new system. If your child is late, and we are not aware, you will receive the automated calls until the late/absence is verified. All students that are late or returning from appointments need to check in at the office.
- If you receive one of these phone calls, it is important to follow the prompts to report the absence. If at any point you try to circumvent the system (i.e. hanging up before you receive your confirmation number), the system will still view the absence as unverified, and you will continue to receive phone calls until you complete the process on the phone.

It is our **first priority** every morning to ensure that all students are accounted for. This tool helps us to expedite this process to ensure the safe arrival of all of our students.

If you have any changes to your contact information (ie. new phone numbers, cell phone numbers, email addresses, etc.) please call or email the school so we can update the records for you.

Thank-you for your continued support.

Please note: a paper version of this will be sent home.
