First Holy Communion & Reconciliation

January-April 2021

Signs of Grace: Online Sessions

Dear Parents,

We are very excited to walk this journey with you and your child as they prepare for the very special moment of their First Reconciliation and First Holy Communion. This year, the majority of our classes will be completed through the *Signs of Grace* online classes. Each week, parents and students will complete the weekly lessons by watching the online course videos and completing the workbook activities. The first four sessions begin with a parent preparation video that is designed to provide engaging faith formation and background information for you as a parent. These videos will help you prepare your child for their First Reconciliation and Holy Communion. We will also meet virtually (through Google Meet) to review lessons and check for understanding. Please refer to the schedule below for the course timeline. Course login information will be provided closer to the start date.
