### **New Business**

Mandy brought forward question from outside parent on the reasoning that STP is not included in the Oscar Program as they were previously denied due to cohorting rules. This should not be the case as EICS and BRSD share the same bussing. It was decided that this is not something to pursue for council, but the parents should direct these questions to Oscar Program which is run through Camrose District Support Services.

Meeting adjourned at 7:53pm
