

Meet Your TEACHER

Mrs. Kueber, Grade 4

Hi!

My name is Mrs. Kueber. I am very excited to be your Grade 4 teacher. I am looking forward to a year of learning, fun and adventure. Some of the things you are going to learn about are **Lights and Shadows** in **Science** and **Fractions and Decimals** in **Math**. For **Social** you will learn all about the **Province of Alberta**. We will read and write in **Language Arts**.

Here are **Two** of my **FAVORITE** Things!

I am excited to learn about your favorite things!

TRAVELLING! This is me in Morocco, Africa.

SWIMMING! I love to snorkel in the ocean and to swim at Camrose pool!
