

Hi, I'm Mrs. Dueck and I am thrilled to be part of the St.Pat's School family. I have worked here for 33 years and continue to love it. My hope and prayers is for a safe new school year.

My husband and I have been blessed with 2 children , both married, a 2 year old grand daughter and a grandson that will be born the end of June.

My absolute favorite thing is spending time with my family.

Other things I enjoy are reading scary books, fussing with my plants, decorating, entertaining and cooking.
