

Hello! My name is Ms. Plester. I have worked at St. Pats for one year now.

I have three children: Stephen and Breelyn are at OLMP and Landin is at St. Pats.

This summer we moved into a house and we are very excited!

Some of my favorite things are: camping and watching my kids play sports.

Hi! My name is Mrs. Kiebiech. I have been working at St. Pats for 17 years! I always miss the kids when they aren't at school!

My husband and I have a grain farm with cattle. Our son and daughter are grown up and have given me two grandsons.

One thing that you may not know about me is that I hate getting my picture taken!

Have a great summer! Looking forward to seeing your smiling faces in the fall!
