

HELLO 2nd Grader!

A LITTLE ABOUT ME

I live on a mixed farm with my husband Mike. Our farm has grain fields, jumping horses and Black Angus cattle. I am also blessed to have two wonderful sons, Tyler and Dillon. Two of my favorite things to do are swimming and travelling to new places.

My name is **MRS. KUEBER**. I have been teaching at **St. Patrick School** for 9 years. I am very excited to be your **Grade 2** teacher and I am looking forward to a year of learning, fun and adventure. **I can't wait to meet you!**
