

Hi, my name is Cathy Dacey and I am one of the grade 4 teachers here at St. Pat's. I have been teaching for the past 31 years, with the majority of those years spent in Nova Scotia. I have been at St. Pat's for the past 6 years now and am loving it! The energy and enthusiasm of the kiddos is contagious! Some of my favorite things include drinking tea and reading a great book, going on walks and hikes, camping and enjoying time at the beach.

Personally, I am married to a wonderful man and have two awesome kids of my own, both in their 20s. My oldest daughter just got married this summer! My, how quickly the years fly by! I am so blessed to now treasure your babies here at St. Pat's and I can't wait for our learning adventure to begin in September!
