

Welcome

My name is Stacy Ellert and I am excited to be working with your children as part of the Pre-Kindergarten learning team! When I am not creating, exploring and learning in the Pre Kindergarten classroom, I am working with the students and staff of St Patrick School as assistant principal, and part of the literacy learning team. My teaching journey started twenty five years ago teaching Kindergarten, and since then, I have been blessed to teach various grades in a variety of roles.

2022-2023 is going to be the best school year ever!!

My Favourites

- Camping, hiking and biking in the mountains
- Reading
- The color blue
- Spending time with my family and friends

About Me

My husband and I are proud parents to three adult children, two who are also teachers. We love spending time with our Grandson who will turn one in September!
