

Meet the TEACHER

About me

hello there!

My name is Mrs. Bellamy! I am so excited to be learning with you this year, kindergarten is my favorite!

Teaching and learning are my passion! I am a certified nature school practitioner and have my Masters in educational research. I have been a teacher for more than ten years, I even went to school at St. Pat's when I was a child! I am also very lucky to have an awesome family; my two amazing kiddos Brooks and Hadley, my husband Tyler and my dog Dexter.
