

meet the TEACHER

welcome

Hello T/TH Kindergarten and Nature Kindergarten families and friends! I cannot wait to get to know you all this year! We are planning a wonderful year in kindergarten full of excitement and I cannot wait to get started!

hello!

about me

I am excited to be with you this year! I convocated last June with an after degree in elementary education from the University of Calgary. My first degree is in biological science with a minor in Christian Theology. I live on an acreage south of Camrose and enjoy spending time with my animals. I have a horse, three dogs, and three cats. I am also an active member of the St. Francis Xavier parish in Camrose.
