

Meet the TEACHER

Hi! My name is Mrs. Lofgren and I teach grade two at St. Patrick School. My husband Shawn and I have two daughters, Hannah and Kara. They are both in university this year and are very busy girls. I have been teaching for 24 years and each year I get just as excited as if it were my first! I can't wait to meet all my new students for another fabulous year! Grade two is so much fun!!
